

CALIFORNIA THE GOLDEN STATE

**Information  
Builders**

The Standard for  
Enterprise  
Business  
Intelligence

Information Builders is pleased to invite you to a very special event!  
Please join us **Thursday, June 8, 2006** for the State of California Technology Forum.

10:00 AM - 1:00 PM  
300 Capitol Mall  
7<sup>th</sup> Floor, Rooms A and B

## **Agenda**

**10:00 - 10:15 AM Registration**

**10:15 - 11:15 AM -- WebFOCUS 7 - Business Intelligence Overview - Mark Schofield, Systems Engineer**

WebFOCUS 7 has some new powerful reporting features and components that make reporting from **CALSTARS** even easier. Mark will provide a technical overview and demonstrate how you can increase productivity while delivering the information that meets your business demands.

**11:15 AM - 12:00 PM -- iWay Enterprise Integration Simplified - Eric Diggins, Regional iWay Specialist**

Enterprise integration is the current buzz. SOA, ESB, data integration solutions--what does it all mean? Eric will give you a technical perspective as well as share what is going on in the world of enterprise integration. He will also discuss how you can integrate faster, easier and with in your budget.

**12:00 - 12:45 PM -- Lunch - Hosted by Information Builders**

**12:30 - 12:45 PM -- Special Presentation**

**12:45 - 1:00 PM -- Excellence Across the Enterprise - A Summit 2006 Update**

**1:00 - 1:30 PM -- Open Forum and Networking**

**RSVP by June 1, 2006**

[lynn\\_murphy@ibi.com](mailto:lynn_murphy@ibi.com) or 408-453-7600 x277

(An RSVP is required to ensure adequate accommodations.)

**We look forward to seeing you on June 8, 2006**

Please feel free to share this invitation with anyone in your organization that may be interested in attending this free event.
